

Car Glass Cleaner

PRODUCT DESCRIPTION

For professional cleaning of glass, windows and mirrors (primarily) in combination with the glass Microfiber cloth or pad. Use Microfiber for a professional clean. With activated, relaxed water. Supports the removal of all kinds of dirt, grease, fingerprints, streaks, soot, nicotine residue, flies, as well as environmental dirt and road debris.

TO USE

Add 1 to 2 pumps of the activating foam to one litre of water. Wet the glass cleaning cloth (pad) and wring out well. Fold the cloth and use to clean the surfaces. Suitable for glass, windows and mirrors. Dry using a second cloth if necessary.
