

Cockpit Foam

PRODUCT DESCRIPTION

MERX Cockpit foam provides cleaning and a semi-gloss deep action care all in one. For all unpainted plastic surfaces. Gives a whole new look and depth of colour. Provides an antistatic coat and repels further staining. The foam is highly economical and prevents spray from hitting the window panes etc. MERX Cockpit foam is specially designed for vehicle interiors such as cockpits, door trim etc. but is also excellent for leather, suitcases and more.

TO USE

Remove coarse soiling first. Pump Cockpit foam 2 to 3 times onto the Cockpit cloth and apply a thin and even coat using circular motions.

RECOMMENDATION

Apply Cockpit foam 1-2 times per month.
