

Fragrant Foam Sets

Experience the freshness!

PRODUCT DESCRIPTION

Extraordinarily rich and fresh cleansing with soothing and long-lasting fragrances. The fragrant foam sets with a water activator were specially developed for microfibre cleaning. Purified, low-surface tension water helps remove even stubborn stains with just one wipe. The soothing fragrances are left behind on the surface right while you clean. Suitable for all areas of the home (entrance area, foyer, kitchen, office, bathroom, shower etc.). Helps make your guests feel more comfortable. Available in peach, orange, lemon, melon and balance.

TO USE

Pump fragrant foam 1 to 2 times onto a moist microfibre cloth and clean the surface. Suitable for use on all washable, sealed surfaces. Use with caution on stained or waxed surfaces. Available in lemon, peach, orange, melon or balance.
