

# Silveryarn Sponge Cloth

15 x 20 cm

## PRODUCT DESCRIPTION

These new high-tech sponge cloths have pure silver blended into some of the polyester fibres. This innovative technique gives the cloths long-lasting antibacterial action and ensures powerful surface sterility! Silver is environmentally friendly and perfectly tolerated by skin. The cloths have the outstanding cleaning power of a microfibre cloth combined with a PU sponge that guarantees more than 500% water absorption. The new silver thread sponge cloths retain the full antibacterial effect even after multiple washings! They prevent unpleasant odours and provide long-term protection against microbial contamination!

## TO USE

Use wet or dry on all surfaces. CAUTION! Use with caution on waxed and stained surfaces!
