

# Upholstery Sponge

## PRODUCT DESCRIPTION

The MERX Upholstery Cleaning Sponge is made from a special microfibre-polyester composition. With the help of this sponge, MERX Upholstery Foam Cleaner can be applied to car upholstery and rubbed in. After use, wet the MERX Cockpit Cloth with clean water, wring out, wipe the areas cleaned and allow to dry. Use a vacuum cleaner if necessary. Only for use on material upholstery, not suitable for leather upholstery!
